Members of the Steering Committee will serve a 4-year term renewable for another 1 year. There will be a Steering Committee meeting twice a year.

Additional notes:

- All Steering Committee members should make every effort to attend all meetings.
- Any member who attends less than 50% of the scheduled meetings over a period of two years may reconsider their membership.
- Steering Committee members should be active users of the Registries platforms e-REC and Core Registry or plan to become active within 12 months after installation.
- All papers and minutes must be treated in strictest confidence.
- All members must act in the best interest of the project.
- Any passwords and logins provided to members to enable their roles should not be shared with anyone.
- All Steering Committee members must complete a Declaration of Interests form and any potential conflicts of interest should be declared at the start of the meeting or as they arise, and, depending on the nature of the conflict, the member concerned should take no part in the discussion.
